

## District 8 Republican Committee

Everyone is asked to be a volunteer over the coming year. Please select the areas from this list and return your preference to Susan Godfrey at the District meeting or mail to the address below.

\_\_\_ **Voter Registration:** Spend a couple hours signing up new voters at events such as the Arizona State Fair, Fountain Hills Art Fair, Cinco De Mayo, or visiting local high schools, shopping centers, and other nearby locations. You will be working as a team with two or three other people. All that is required is staffing a table to help folks fill out a voter registration form.

\_\_\_ **Registration:** Help prepare the meeting site for arrival of members. Help register PC's and guests at each of the monthly meetings. Pass out name tags and other materials. Assist with clean up after the meeting.

\_\_\_ **Mailing/Telephone:** Contribute a few hours each month making phone calls or addressing envelopes from your home. Additional options include working from our local "Get-Out-The-Vote" offices and at party headquarters as we get closer to the primary and general elections.

\_\_\_ **District In-Reach / Cheer:** Help transport PCs who can't drive so they can attend our meetings and events. Also, visit PCs who are hospitalized, sick, or otherwise homebound. You might also help send out get-well cards and other personal messages on behalf of the District.

\_\_\_ **Volunteer Coordinating:** Help contact volunteers who have indicated an interest to help in certain areas for the District. Additional areas would be the County office, State office and our own Get-Out-The Vote office.

\_\_\_ **Finance:** Plan the annual budget and then propose ways to make sure the district has the money to support our activities. Also, it is responsible for the Audit Committee.

\_\_\_ **Special Events:** Help staff special events or meetings such as the Holiday Party and Legislators Breakfast. Prepare reservation lists based on the RSVPs received for each event. Committee also organizes workers to staff the district election office.

\_\_\_ **District Structure Area Directors:** Get involved in your area working as an Area Director to recruit Captains and precinct committeemen. Help distribute walking and calling lists. Assist in compiling lists of prospective PC's, make phone calls, and walk neighborhoods. The District is made up of 10 areas and 73 precincts.

\_\_\_\_ **Communication Task Force:** Help in all areas of communication, including newsletters, website, and facebook page. Also, write articles for submission to the newspaper and to the public opinion media.

\_\_\_\_ **Credentials and Tallies:** Work at the County and State meetings registering District precinct committeemen and assisting with the counting of votes for the elections. At the District organizational meeting, help with the registration and voting process.

\_\_\_\_ **PC Education:** Assist with the training of new precinct committeemen.

\_\_\_\_ **Membership Recruitment:** Host a Meet and Greet recruitment event in your home or a community center.
